LB 388

o'clock in the evening, you need a bit of sweetness and I know that I was very pleased when Senator Hefner enlightened me as to the new cheese company in his area and I would like to take this opportunity to wave the flag for Beatrice in its area and tell you that we do have food processing there and that I hope you will enjoy this sample of fruitcake that is here and know that we are doing things in Nebraska for the food processing industry. So enjoy the sample of Beatrice production and come see our plant sometime. Thank you.

SENATOR CLARK: We are ready to do to Final Reading. (Gavel.) If everyone will get in their seats, please. Final Reading on its way up or down.

CLERK: Mr. President, while we are waiting I have one item Senator...

SPEAKER NICHOL PRESIDING

SPEAKER NICHOL: We are ready to go. Please take your seats. That is what we are waiting for. Mr. Clerk.

CLERK: Mr. President, on the first bill (LB 388) Senator Vickers has a motion on the bill. Senator Vickers would move to return to Select File for a specific amendment, that amendment being to strike the enacting clause.

SPEAKER NICHOL: Senator Vickers.

SENATOR VICKERS: Mr. President...

SPEAKER NICHOL: Excuse me, Senator Vickers. One of our colleagues is talking. Let's please give him the courtesy of listening. Thank you, Senator Vickers.

SENATOR VICKERS: Thank you, Mr. President. Mr. President, members, LB 388 is a bill that was introduced last year by Senator Wiitala to deal with a specific problem and that problem was that up here on the State Fairgrounds when the race season was on some of the folks that came in for the races and had children were having to pay tuition for those
